

Connecticut's Health Insurance Marketplace

# All-Payer Claims Database Advisory Group Meeting

Created By: Access Health Analytics  
7/8/2014

# Presentation Overview

- Development Planning for APCD
- Medicaid Data Usages – Examples from other States' APCDs
- Update on Medicaid Data from DSS
- Subcommittee Updates
- Next steps

# Development Planning for APCD - Timeline

- RFP process for vendor selection for developing & managing APCD completed March 31, 2014
- Vendor negotiation in progress and expected to be completed by August, 2014
- Data in-take infrastructure will need to be created by the data submitters to link with the APCD vendor for automated submissions and retrievals via secured web-based transmissions, Sept. – Nov., 2014
- Test data is expected to be submitted in December, 2014
- Pending data quality validation tests, historical data is expected to be submitted in March, 2015
- Phase I reporting – population analytics – is expected to be available in July, 2015
- Consumer Decision Support Tool, i.e., enabling Exchange enrollees to choose the right plan, is targeted to be released in October of 2015
- Price/Quality transparency tools is expected to be launched in Jan 2016

Note: '\*' expected; timeline will slip if contract is not finalized by 8/31/2014

# Development Planning for APCD - Core Components

## Objectives

The following capabilities and components have been deemed absolutely necessary for a well functioning APCD. Some of these elements in the scope are explicitly included in the Policy & Procedure document. Other elements are needed to complement the primary scope.

- ✓ Collection of medical & pharmacy claims data from various carriers, including ASO data
- ✓ Collection of Medicare data
- ✓ Collection of Medicaid data
- ✓ Developing data validation process for collected data
- ✓ Developing and optimizing various infrastructures – ETL, Production and Managed Hosted environments
- ✓ Ensuring application of risk and clinical groupers from 3M, CMS and others TBD
- ✓ Development of a Master Provider Index
- ✓ Development of a Master Patient Index
- ✓ Development of a web tool for exhibiting reports from APCD data
- ✓ Development of price and quality transparency reports
- ✓ Development of various population & epidemiological reports
- ✓ Collection of dental data

**Medicaid Data  
Usages – Examples  
from other States'  
APCDs**

# Update From DSS

## **Policy & Procedures Enhancement Subcommittee**

– Matthew Katz

## **Data Privacy & Security Subcommittee**

– Dr. Robert Scalettar

## Data Privacy and Security Subcommittee Meeting – 6/26

### – Security Related RFP and RTM Requirements For The Data Management Vendor

- Data Collection
- Data Management
- Managed Environment
- Reporting Software and Services

### – Update and Overview of Preferred Vendor Security Audit

#### **Auditor Tasks:**

1. Cyber Security Evaluation of Proposed APCD Data Management Vendor
2. Proposal and Proposed Methodology Review
3. Provision of Technical Assistance in Contract Language
4. Software Code Review (Future Service)

## Data Privacy and Security Subcommittee Meeting – 6/26

### – Proposed Outline of Data Governance Process

- Data Release Protocol Overview for Internal/External Users
- Data Release & Governance Tools for External Release:
  - Data Disclosure Rules
  - Data Release Process and Criteria
  - Data Review Committee Construct and Policies
  - Data Use Agreement Components
- AHCT to propose a Straw Man Model to the subcommittee:
  - Leverage processes from other APCDs/IRBs
  - Communicate strategy for DRC composition
  - Incorporate vendor technical capabilities
