AHCT 2022 Standard Stand-Alone Dental Plan

An Issuer interested in offering certified Stand-Alone Dental Plans (SADPs) in the Individual and/or Small Group marketplace in Connecticut must, as a condition for certification by Access Health CT (AHCT), offer the AHCT standardized SADP.

The standardized SADP was approved by the AHCT Board of Directors effective with the 2019 Plan Year. The standardized benefit design for the Individual and Small Group markets includes:

- Defined in-network only coverage (e.g., deductible, annual out-of-pocket maximum for children under age 19, cost sharing for a specified set of benefits) for adults and children, and
- Waiting period and plan maximum for adults.

Issuers interested in offering certified SADPs for the 2022 Plan Year can choose to exclude or include out-of-network coverage for the standardized SADP, subject to form filing approval by the Connecticut Insurance Department (CID).

Additional information regarding Issuer certification requirements for 2022 is contained in the AHCT "Solicitation to Stand-Alone Dental Plan (SADP) Issuers for Participation in the Individual and/or Small Business Health Options Program (SHOP) Marketplace" available at the following URL:

http://agency.accesshealthct.com/healthplaninformation#one

SADP Issuers should follow CID guidance related to form and rate filing submission. Any determinations by AHCT to certify a SADP will be conditional upon the CID review/approval of these filings.
