

APCD Advisory Group Meeting

November 12, 2015

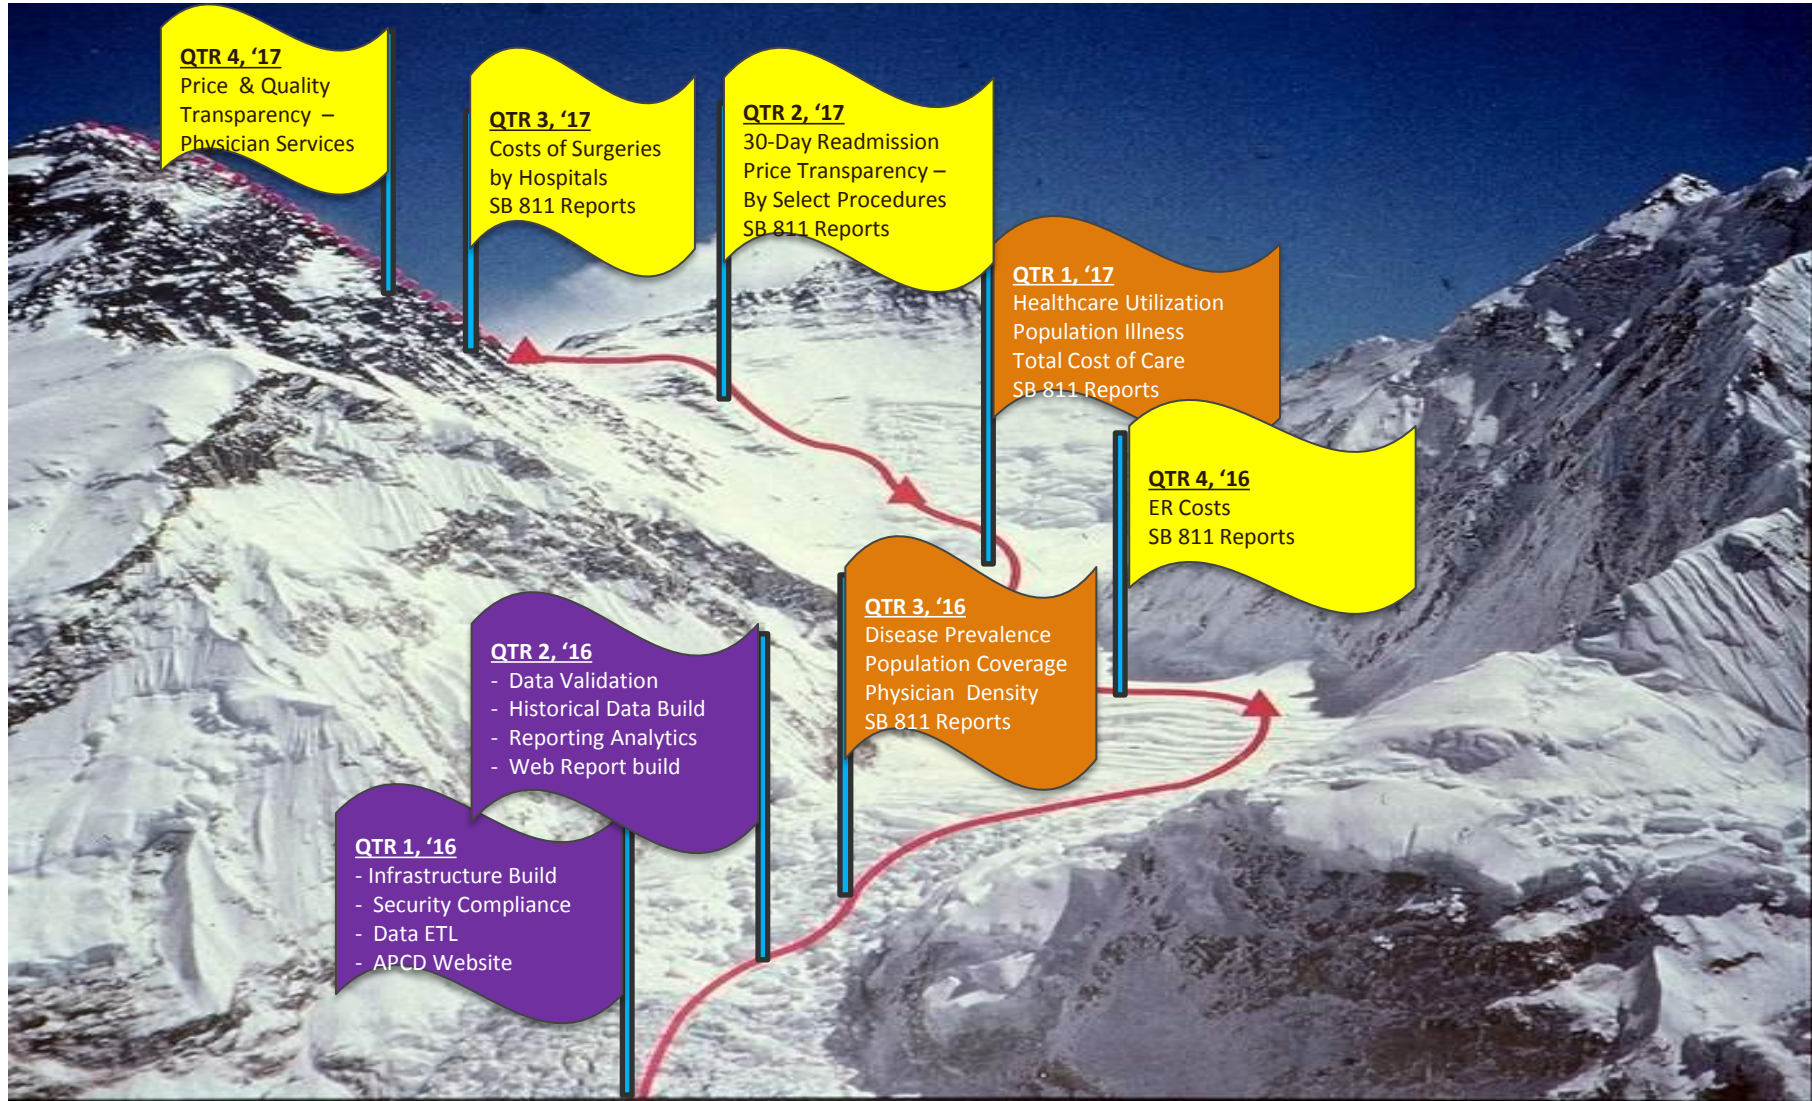

Presentation Overview

- Approval of August 13, 2015 Minutes
- CEO/ED Updates
- Legal Review of Anti-Trust Legislation
- Review of Report Details for SB 811
- Completion of Consumer Decision Support tool
- Showcase APCD Website
- Next Steps
- Future Meetings
- Adjournment

CEO / ED Updates

Presentation by
James Wadleigh, Tamim Ahmed

APCD Implementation Timeline

Legal Review of Anti-Trust Legislation

Presentation by
Attorneys Joan Feldman, William Roberts

Review of Report Details for SB 811

Section 1.

(6) (A) Maintain an Internet web site through which enrollees and prospective enrollees of qualified health plans may obtain standardized comparative information ✓

(12) Establish and make available by electronic means a calculator to determine the actual cost of coverage after application of any premium tax credit under Section 36B of the Internal Revenue Code and any cost-sharing reduction under Section 1402 of the Affordable Care Act ✓

Section 2.

9b(1) On and after July 1, 2016, the exchange shall, ... establish and maintain a consumer health information Internet web site to assist consumers in making informed decisions concerning their health care and informed choices among health care providers. Such Internet web site shall: (A) Contain information comparing the quality, price and cost of health care services, including, to the extent practicable, (i) comparative price and cost information for the primary diagnoses and procedures reported pursuant to subsection (c) of this section categorized by payer and listed by health care provider, (ii) links to the Internet web sites for ... Medicare hospital compare tool where consumers may obtain comparative quality information, (iii) definitions of common health insurance and medical terms

Review of Report Details for SB 811

Section 7.

(2) The Connecticut Health Insurance Exchange, established pursuant to section 38a-1081 of the general statutes, shall post links on its Internet web site to such information for each qualified health plan that is offered or sold through the exchange ✓

Section 2.

(9) c. (1) Not later than July 1, 2016, and annually thereafter, the Insurance Commissioner and the Commissioner of Public Health shall, to the extent the information is available, jointly report to the exchange and make available to the public on the Insurance Department's and Department of Public Health's Internet web sites: (1) The fifty most frequently occurring inpatient primary diagnoses and procedures in the state; (2) the fifty most frequently provided outpatient procedures performed in the state; (3) the twenty-five most frequent surgical procedures performed in the state; and (4) the twenty-five most frequent imaging procedures performed in the state.....

Section 2.

9(f) For the purposes of administering the Medicaid program and to the extent permitted by federal law, the Commissioner of Social Services shall submit to the exchange all Medicaid data requested for the all-payer claims database, established pursuant to section 38a-1091 of the general statutes

SB 811 Update - Medicaid Data

Comments by DSS on status of submission of Medicaid data to APCD

SB 811 Update

Section 2.

9b(3) The exchange may consider adding quality measures to the Internet web site as recommended by the State Innovation Model Initiative program management office

Section 15.

(26) Seek funding for and oversee the planning, implementation and development of policies and procedures for the administration of the all-payer claims database program established under section 38a-1091 ✓

Section 21.

(a) There shall be established a State-wide Health Information Exchange to empower consumers to make effective health care decisions, promote patient-centered care, improve the quality, safety and value of health care ... (8) support public health reporting, quality improvement, academic research and health care delivery and payment reform through data aggregation and analytics; (9) support population health analytics

SB 811 Update

Identify the sequence and timing of reporting to meet SB 811 (PA 15-146) requirements:

- Explore legal restriction in reporting carrier-specific information
- Determine data availability and readiness for use to support various
- Coordinate SB 811 reports within the planned releases of other APCD reports
- Investigate data and reporting options to meet legislative requirements

SB 811 - Top Surgical Procedures

Completion of Consumer Decision Support (CDS) tool

- Overview

Access Health CT:

- Presented the consumer decision support tool - Health Plan Selector – to the APCD Advisory Group on 8/13 for inputs
- Enhanced the tool considerably by incorporating your inputs
- Launched the Tool for consumers – <https://cds.accesshealthct.com>
- Launched have initiatives enabling brokers and assistors to understand how to use the tool for improved advisements
- Built in Google Analytics as part of the tool for understanding usage – frequency, abandonment, completions, etc.

CDS Tool - Google Analytics (11/1 - 11/10)

Sessions – number of instances of anyone using site

Users – number of unique people using site

Pageviews – number of total pages on site loaded

Pages/Session – number of pages loaded per use

Avg. Session Duration – average length of time people spend on site

Bounce Rate – percentage of users viewing one page and then leaving site

% New Sessions – users divided by sessions
