

Making a difference in your community: New Haven County

Since 2013, we have helped more than 1 million individuals and small businesses, and the uninsured rate in our state has been cut in half. This means more residents are getting access to quality care, financial help, and preventive services that they need.

Enrollment in your community

- 22,373 residents enrolled in 2021 Qualified Health Plans during Open Enrollment and extension period.
- 237,195 residents were enrolled in Husky Health/Medicaid as of 1/15/21.
- Residents received an average of \$639.84 towards their monthly health insurance bill.

Community participation your area

Some partner organizations in your area include:

- Cornell Scott Hill Health Center
- Fair Haven Community Health Center
- National Coalition of 100 Black Women, New Haven Chapter
- New Opportunities, Waterbury
- Planned Parenthood of Southern New England
- Project Access, New Haven
- Yale New Haven Hospital

Some events attended in your area include:

- CitySeed Farmers Market, New Haven
- Farmers Market, Meriden
- New Opportunities Falloween Family Festival
- Three Kings Day Celebration with Puerto Rican Festival, New Haven Hispanic Firefighters

Our Mission

To increase the number of insured residents, improve healthcare quality, lower costs and reduce health disparities through an innovative, competitive marketplace that empowers customers to choose the health plan and provider that give them the best value.

Getting coverage

Access Health CT is the state's official health insurance marketplace and the only place where you can qualify for financial help to lower your healthcare costs. More than 90% of people get financial help, low-cost or free coverage through HUSKY Health/Medicaid (Children's Health Insurance Program) if eligible.

All health plans include:

- Preventive services – like annual checkups
- Lab tests
- Prescription drugs
- Maternity and pediatric services
- Urgent care and emergency room visits
- Mental health and substance abuse treatment
- Inpatient and outpatient hospital care
- Services and devices for recovery from illness or injury

We offer healthcare coverage through:

Connecticut's Medicaid & Children's Health Insurance Program

Access Health CT partners with the CT Department of Social Services
