APPENDIX A – INDEPENDENT CONTRACTOR AGREEMENT

APPENDIX B – Ethics Form 1 – GIFT AND CAMPAIGN CONTRIBUTION CERTIFICATION

1. BACKGROUND

The primary mission of the Connecticut Health Insurance Exchange d/b/a Access Health CT (“Access Health” or the “Exchange”), Connecticut’s official state-based health insurance marketplace, is to increase the number of insured residents in Connecticut, promote positive health outcomes, lower costs, and eliminate health disparities. To accomplish this mission and meet certain requirements of the Patient Protection and Affordable Care Act (“ACA”), Access Health has developed an online shopping and enrollment experience for state residents and small businesses, as well as an extensive marketing and communication infrastructure, to raise awareness of health insurance options and facilitate consumer enrollment into healthcare coverage.

Our Values in Action

At Access Health CT, it is with our customers and our employees in mind that we seek to promote these collective values and to live by these behaviors. Our culture of acceptance welcomes and values everyone. We challenge the status quo to find new ways to grow and improve our community, our company and ourselves. Our people take pride in the service we provide, and in the spirit of the common good that we share.

- ❖ **Authenticity:** Act with sincerity, credibility and self-awareness
- ❖ **Integrity:** Commit to doing the right thing with genuine intention
- ❖ **Excellence:** Aim high and challenge the status quo
- ❖ **Ownership:** Take responsibility and initiative
- ❖ **One Team:** Collaborate to succeed
- ❖ **Passion:** Dedication to creating opportunities for great health and well-being

2. SCOPE OF WORK

The selected firm must enter a contract with the Exchange, substantially in the form of the draft contract set forth in Appendix A (the “Contract”). The term of the Contract will not exceed three years.

Access Health CT will require the selected Respondent to perform the following projects annually during the term of the Contract:

1. Standard Plan Design Development and Actuarial Value Certification

- Calculate the Federal Actuarial Value (AV) of Access Health CT's current standard plan designs for both Medical and Standalone Dental plans to evaluate necessary changes to comply with AV for upcoming plan year. Compliance with the Federal Actuarial Value Calculator is required for all Qualified Health Plans (QHPs) offered by Access Health CT under the ACA. Additional requirements under Mental Health Parity (MHP) must also be met by QHPs and are included in analysis for standard plan design development.
- Anticipate, identify and model unique scenarios to show potential viability of alternative plan designs while maintaining compliance with Federal AV and MHP requirements.
- Use market trend and utilization analysis to suggest different approaches to plan design to help diversify consumer choice.
- Estimate impact to premium of any changes to standard medical or standalone dental plan designs from the current year to upcoming year.
- Prepare and present materials to the Exchange’s advisory committees and Board of Directors.
- Present and participate in advisory committee and board of director meetings as requested, and any other meetings with internal staff or carrier representation as necessary.
- Provide medical and dental actuarial value certification reports.

2. Rate Review and Consumer Impact Study

- Review both on- and off-Exchange rate filings, where applicable, for carriers participating on the individual and small group medical insurance markets in Connecticut for the applicable plan year. This includes a review of comments from the Connecticut Department of Insurance regarding current rate filings and any modifications to rate filings, and final rate filings to summarize final rate changes. This process may include dialogue with issuers as appropriate to clarify questions in advance of rate filing finalization.
- Review and analyze trend and consumer premium impact before and after subsidies. Vendor will calculate and summarize rate increases or decreases from plan year to plan year by rating area and plan type on both individual and small group markets.
- Summarize the impact of rate changes on consumers in the individual market who are eligible for subsidies
- Consult with Exchange staff and prepare Consumer Impact report to be presented at a Access Health CT Board of Directors' meeting.

The Exchange will provide the following materials to the vendor preparing the report to support analyses for the Rate Review and Consumer Impact Study:

- Rate table templates for plan years
- Plan and benefit templates
- Network templates
- Service area templates (unless all plans are offered state-wide)
- Plan ID Crosswalk template with mapping approach for consumers who will no longer be offered their current plan, if applicable
- Enrollment data by plan to support consumer premium impact analysis.

3. Adverse Selection Study

The Adverse Selection Study is a statutory requirement from Connecticut General Statute § 38a-1084 (25). This statute requires Access Health CT to:

- *Report at least annually to the General Assembly on the effect of adverse selection on the operations of the exchange and make legislative recommendations, if necessary, to reduce the negative impact from any such adverse selection on the sustainability of the exchange, including recommendations to ensure that regulation of insurers and health benefit plans are similar for qualified health plans offered through the exchange and health benefit plans offered outside the exchange. The exchange shall evaluate whether adverse selection is occurring with respect to health benefit plans that are grandfathered under the Affordable Care Act, self-insured plans, plans sold through the exchange and plans sold outside the exchange.*
- Respondent will be responsible for performing the study and making an in-person presentation to the Exchange's Board of Directors following the submission of the final Adverse Selection Study Report to the Exchange.

In addition, the Exchange seeks the following services:

1. Plan management responsibilities, as needed
 2. Advisory capacity
 3. Periodic Assessment Revenue studies, as needed
 4. Ad-hoc research requests, as needed
- Access Health CT may request additional ad-hoc analysis as needed on topics including but not limited to the individual and small group markets, plan design, market stabilization, federal waivers under section 1332, and others. These requests are submitted by Access Health CT and defined by an additional scope of work to be agreed upon by Access Health CT and the selected vendor.

The selected Respondent must enter into a contract with the Exchange, substantially in the form of contract set forth in Appendix A (the "Contract"). The term of the Contract will not exceed three (3) years.

3. PRICING PROPOSAL

Respondents to this RFP must provide a separate, detailed Pricing Proposal that includes pricing for the following services and any other related services and pricing Respondent deems necessary to perform the services described in Section 2 ("Scope of Work"):

Project	Project Cost
Standard Plan Design Development and Qualified Health Plan Actuarial Certification	
Rate Review and Consumer Impact Study	
Adverse Selection Study	
Ad-Hoc projects	Pricing based on hourly Rate Card

The Pricing Proposal should reflect any discounted rates available to government, non-commercial or not-for-profit entities. Rates and associated fees set forth in the Pricing Proposal must be valid for the entire duration of the Contract.

Stability of Proposed Fees

Any fee(s) set forth in the Pricing Proposal must be valid for the entire duration of the Contract. The duration of the Contract will not exceed three (3) years.

Independent Price Determinations

In the Pricing Proposal, Respondents must warrant, represent, and certify the following:

1. The fees and costs proposed have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such process with any other organization or with any competitor.
2. Unless otherwise required by law, the firm has not knowingly disclosed quoted fees directly or indirectly to any other organization or to any competitor prior to the deadline for submission of the Proposal.
3. No attempt has been made, or will be made, by the firm to induce any other person or firm to submit or not to submit a Proposal for the purpose of restricting competition.

The Pricing Proposal must be sent separately via email to Pamela Roe (Pamela.Roe@ct.gov) no later than 4:00 p.m. EST, on May 23, 2022.

IV. Responses Required in the Proposal

1. Name the primary contact for the Proposal and the names of the primary individuals who would work with the Exchange, and an explanation of their experience, relevant background, and anticipated duties. Include brief resumes for each.
2. Explain the firm's qualifications and provide a summary of any past projects that would enable your firm to perform the work described in Section 2 ("Scope of Work").
3. Disclose any past or present assignments, relationships, or other employment that your firm or any employee of your firm has or has had that may create a conflict of interest or the appearance of a conflict of interest in serving as counsel to the Exchange.
4. If you find any term or provision of the proposed draft Contract in Appendix A unacceptable, identify the term, explain why it is unacceptable, and state whether the failure to modify this term

would result in your firm's failure to execute a contract for this engagement.

5. Discuss any pending complaints or investigations, or any made or concluded within the past five (5) years, to or by any regulatory body or court regarding the conduct of your firm or its predecessors, or any of its present or former members, employees, attorneys and/or associates.
6. Provide a separate detailed Pricing Proposal in accordance with the requirements set forth in Section 3 ("Pricing Proposal").
7. Provide three (3) client references. Include the reference's name, company or organization, title, telephone phone number, email address, a description of the work performed (should be reasonably comparable to services sought in this RFP), and the dates of the work performed.

V. Conformity and Completeness of Proposals

To be considered acceptable, Respondents must submit Proposals that are complete and conform to all material RFP instructions and conditions. The Exchange, in its sole discretion, may reject in whole or in part, any Proposal if in its judgment the best interests of the Exchange will be served.

VI. Presentation of Supporting Evidence

Respondents must be prepared to provide evidence of experience, performance, ability, financial resources, or other items that the Exchange deems necessary or appropriate concerning the performance capabilities represented in their Proposals.

VII. Misrepresentation or Default

The Exchange may reject a Proposal and void any award resulting from this RFP to a firm that makes any material misrepresentation in its Proposal or other submission in connection with this RFP.

VIII. Disqualification

Any attempt by a Respondent to influence a member of the evaluation committee during the Proposal review and evaluation process will result in the elimination of that Respondent's Proposal from consideration.

IX. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by firms with any state agency, the Exchange, or an employee of a state agency or the Exchange will be disregarded in any Proposal evaluation or associated award.

X. Offer of Gratuities

Respondents must represent that no elected or appointed official or employee of the State of Connecticut or the Exchange has, or will, benefit financially or materially from the Contract. The Contract may be terminated by the Exchange if it is determined that gratuities of any kind were either offered to, or received by, any of state officials or employees from the firm, the firm's

agent(s), representative(s), or employee(s). Such action on the part of the Exchange shall not constitute a breach of contract by the Exchange.

XI. Validation of Proposals

Each Proposal (including each Pricing Proposal) must be signed by an authorized official and shall be a binding commitment that the Exchange may incorporate, in whole or in part, by reference or otherwise, into the Contract. The Proposal must also include evidence that the person submitting the Proposal has the requisite power and authority on behalf of the firm to submit and deliver the Proposal and subsequently to enter into, execute and deliver, and perform the Contract.

5. ADDITIONAL TERMS AND CONDITIONS

I. Ownership of Proposals

All Proposals (including Pricing Proposals) will become the sole property of the Exchange and will not be returned.

II. Amendment or Cancellation of this RFP

Issuance of this RFP does not guarantee that the Exchange will award a Contract to any Respondent. The Exchange reserves the right to withdraw, re-bid, extend or otherwise modify the RFP or the related schedule and process, in any manner, solely at its discretion.

The Exchange also reserves the right to:

- Consider any source of information in evaluating Proposals;
- Omit any planned evaluation step if, in the Exchange's view, the step is not needed;
- At its sole discretion, reject any or all Proposals at any time; and
- Open contract discussions with other Respondent(s) if the Exchange and the first selected Respondent(s) are unable to agree on contract terms.

III. Errors

The Exchange reserves the right to correct clerical or administrative errors that may be made during the evaluation of Proposals or during the negotiation of the Contract and to change the Contract award accordingly. In addition, the Exchange reserves the right to re-evaluate Proposals and the award of the Contract in light of information either not previously known or otherwise not taken into account prior to the Contract award. This may include, in extreme circumstances, revoking the awarding of the Contract already made to a firm and subsequently awarding the Contract to another firm.

Such action on the part of the Exchange will not constitute a breach of contract on the part of the Exchange since the Contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the Exchange and such firm.

The Exchange may waive minor irregularities found in Proposals or allow the Respondent to correct them, depending on which is in the best interest of the Exchange. "Minor irregularities" means typographical errors, informalities that are matters of form rather than substance and evident from the Proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other Respondents, as determined in the sole discretion of the Exchange.

IV. Freedom of Information

The Exchange is a quasi-public agency and its records, including responses to this RFP, are public records. See Conn. Gen. Stat. §§ 1-200, *et seq.*, and especially §§ 1-210(b)(4) and 1-210(b)(5)(B). Due regard will be given to the protection of proprietary or confidential information contained in all Proposals received. All materials associated with this RFP, however, are subject to the terms

of the Connecticut Freedom of Information Act (“FOIA”) and all applicable rules, regulations, and administrative decisions. If a firm is interested in preserving the confidentiality of any part of its Proposal, it will not be sufficient merely to state generally in the Proposal that the Proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, the firm must specifically identify those particular sentences, paragraphs, pages, or sections that a firm believes to be exempt from disclosure under FOIA. Convincing explanation and rationale sufficient to justify each exemption consistent with § 1-210(b) of FOIA must accompany the Proposal. Any submitted Proposal and the fully executed Contract will be considered public information and subject to FOIA. The Exchange has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The firm has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the Exchange have any liability for the disclosure of any documents or information in its possession that the Exchange believes are required to be disclosed pursuant to FOIA or any other law.

V. Statutory and Regulatory Compliance

By submitting a Proposal in response to this RFP, the Respondent implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

- A. Gifts, C.G.S. § 4-252.** Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz’s Executive Order No. 21-2, the Contractor, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:
1. That no gifts were made by (A) the Contractor, (B) any principals and key personnel of the Contractor, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the Contractor or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi- public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;
 2. That no such principals and key personnel of the Contractor, or agent of the Contractor or of such principals and key personnel, knows of any action by the Contractor to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the Contractor to provide a gift to any such public official or State employee; and
 3. That the Contractor is submitting bids or proposals without fraud or collusion with any person.

- B. Campaign Contribution Restriction, C.G.S. § 9-612.** For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the resulting contract must represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations." Such notice is available at:
https://seec.ct.gov/Portal/data/forms/ContrForms/seec_form_11_notice_only.pdf
- C. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on the Exchange (as well as contractors and subcontractors doing business with the State) to ensure that the Exchange does not enter into contracts with organizations or businesses that discriminate against protected class persons.
- D. Consulting Agreements Representation, C.G.S. § 4a-81.** Pursuant to C.G.S. §§ 4a-81 the successful Respondent shall certify that it has not entered into any consulting agreements in connection with this Contract, except for the agreements listed in the Contract form. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes. Such representation shall be sworn as true to the best knowledge and belief of the person signing the resulting contract and shall be subject to the penalties of false statement.
- E. Nondiscrimination Certification, C.G.S. § 4a-60 and 4a-60a.** If a Respondent is awarded an opportunity to negotiate a contract, the Respondent must provide the Exchange with *written representation* in the resulting contract that certifies the Respondent complies with the State's nondiscrimination agreements and warranties. This nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by either (A) initialing the nondiscrimination affirmation provision in the body of the resulting contract, or (B) providing an affirmative response in the required online bid or response to a proposal question, if applicable, which asks if the contractor understands its obligations.
- F. Access to Data for State Auditors.** The Contractor shall provide to the Exchange access to any data, as defined in C.G.S. § 4e-1, concerning the resulting contract that are in the possession or control of the Contractor upon demand and shall provide the data to the

Exchange in a format prescribed by the Exchange and the State Auditors of Public Accounts at no additional cost.

Any Respondent that does not agree to the representations required under this section shall be rejected and the Exchange shall award the contract to the next highest ranked Respondent.

VI. Execution of Contract

This RFP is the instrument through which the Exchange solicits Proposals. This RFP is not a contract. Upon the Exchange's selection of a Respondent firm, the firm must enter into a contract with the Exchange substantially in the form of the Contract set out in **Appendix A**. The selected firm's Proposal and this RFP may serve as the basis for additional Contract terms. If the Exchange and selected firm(s) fail to reach agreement on Contract terms within a time determined solely by the Exchange, then the Exchange may commence and conclude contract negotiations with other Respondents. The Exchange may decide at any time to start this RFP process again.

VII. Subletting or Assigning of Contract

The Contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the firm therein or thereto may not be sublet, sold, transferred, assigned, or otherwise disposed of to any person or entity without the prior written consent of the Exchange. No person or entity, other than the firm to which the Contract was awarded, is permitted to perform work without the prior written approval of the Exchange.

VIII. Compliance with Federal, State and Other Requirements

In the Contract, the firm will represent and warrant that, at all pertinent and relevant times to the Contract, it has been, is and will continue to be in full compliance with all codes, statutes, acts, ordinances, judgments, decrees, injunctions, and regulations of federal, state, municipal or other governmental departments, commissions, boards, bureaus, agencies, or instrumentalities.

IX. Executive Orders

The Contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, the provisions of Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973 and the provisions of Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999.

Each agreed upon engagement letter shall (a) be signed by the parties; (b) be in substantially the same form as Schedule 1 attached hereto; and (c) be deemed to incorporate all of the terms and conditions set forth in this Agreement (each a “Statement of Work”). In the event of any conflict between the terms and conditions herein and those in any Statement of Work, the terms and conditions in the Statement of Work shall prevail.
2. Administration.
 - a. The individuals in charge of administering each Statement of Work on behalf of the Exchange and the Contractor are _____ and _____, respectively.
 - b. If the Exchange requests that a staff member of the Contractor no longer provide Services to the Exchange under this Agreement, the Contractor shall remove such staff member from the assignment within seven (7) days. Upon the request of the Exchange, the Contractor shall augment the remaining staff with staff acceptable to the Exchange.
3. Time of Performance and Term.
 - a. The Contractor shall perform the Services at such times and in such sequence as may be reasonably requested by the Exchange. The Contractor shall comply with any timeline or deadlines set forth in each Statement of Work.
 - b. Statements of Work may be added to this Agreement pursuant to the mutual written agreement of the parties for a period of three (3) years from the Effective Date, unless the Agreement is terminated sooner in accordance with the provisions herein.

- c. Each Statement of Work shall identify the term of that Statement of Work, which term may be terminated sooner in accordance with the provisions herein.

4. Termination.

- a. Notwithstanding any other provision of this Agreement, the Exchange may terminate this Agreement at any time for any reason. The Exchange shall notify the Contractor in writing, specifying the effective date of the termination and the extent to which the Contractor must complete performance of the Services prior to such date.
- b. Upon receipt of written notification of termination from the Exchange, the Contractor shall immediately cease to perform the Services (unless otherwise directed by the Exchange in the notice) and provide the Exchange with a final invoice for Services performed as of the effective date of termination. Upon written request from the Exchange, the Contractor shall assemble and deliver to the Exchange all Records (as defined in Section 8(a) below), in its possession, custody or control; with the exception of one copy being retained to keep record of obligations subject to the confidentiality obligations set forth in Section 14.

The Exchange may require the Contractor to submit such additional accounting and information as it deems to be necessary or appropriate, prior to authorizing payment under this Section. - c. Invoices submitted late by the Contractor may result in delayed payment.
- d. The Exchange may set off any costs or expenses that it incurs because of Contractor's unexcused non-performance under this Agreement against those undisputed amounts that are due or may become due from the Exchange to the Contractor under this Agreement, or any other agreement that the Contractor has with the Exchange. This right of setoff shall not be deemed to be the Exchange's exclusive remedy for the Contractor's breach of this Agreement and the Exchange reserves its right to exercise any, and all other remedies available to it, all of which remedies shall survive any setoffs.

6. Cross Default.

- a. If the Contractor breaches, defaults or in any way fails to perform satisfactorily under this Agreement, then the Exchange may treat any such event as a breach, default or failure to perform under any other agreements or arrangements ("Other Agreements") that the Contractor has with the Exchange. Accordingly, the Exchange may then exercise any and all of

its rights or remedies provided for in this Agreement or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any other rights or remedies of the Exchange, as if the Contractor had breached the Other Agreements.

- b. If the Contractor breaches, defaults or in any way fails to perform satisfactorily under any Other Agreements with the Exchange, then the Exchange may, without any action whatsoever required of the Exchange, treat any such event as a breach, default or failure to perform under this Agreement. Accordingly, the Exchange may then exercise any and all of its rights or remedies provided for in the Other Agreements or this Agreement, either selectively or collectively and without such election being deemed to prejudice any other rights or remedies of the Exchange, as if the Contractor had breached this Agreement.
7. Representations and Warranties. The Contractor represents and warrants to the Exchange for itself and for the Contractor Agents (as defined herein), as applicable, that:
- a. The Contractor and Contractor Agents possess the experience, expertise and qualifications necessary to perform the Services;
 - b. The Contractor and where applicable, the Contractor Agents, duly and validly exist under the laws of their states of organization and possess authorization to conduct business in the State of Connecticut in the manner contemplated by this Agreement. The Contractor has taken all necessary action to authorize the execution, delivery and performance of this Agreement and has the power and authority to execute, deliver and perform its obligations under this Agreement;
 - c. The execution, delivery and performance of this Agreement will not violate, be in conflict with, result in a breach of or constitute (with or without due notice and/or lapse of time) a default under any of the following, as applicable: (1) any provision of law; (2) any order of any court or the state; or (3) any agreement, document or other instrument to which the Contractor is a party or by which it may be bound;
 - d. Neither the Contractor nor any Contractor Agent is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from transactions with any governmental entity;
 - e. Neither the Contractor nor any Contractor Agent has been convicted of, or had a civil judgment rendered against them, for commission of fraud or a criminal offense in connection with obtaining or performing a transaction or contract with any governmental entity;

All Work Product is a “work made for hire” under U.S. Copyright law and owned solely by the Exchange. - e. The Contractor represents and warrants that the Services and all Work Product resulting from the Services (except the accurate reproduction of information or materials supplied by the Exchange) will not infringe any third-party copyright, patent, trademark, trade secret or other proprietary right. Notwithstanding anything set forth in this Agreement, Contractor shall not use any third-party materials or pre-existing material, including without limitation, open source software or software owned by or licensed to the Contractor, in the Services or any Work Product resulting from the Services, without the Exchange’s prior written consent; provided that upon receipt of such consent, the Contractor shall secure for the Exchange an assignment or perpetual non-cancellable sublicense from such third party to use such software or materials as agreed to by the Exchange, or such materials shall not be used to provide the Services.

This Agreement will not create the relationship of employer and employee, a partnership or a joint venture between the Contractor and the Exchange. The Contractor is solely liable for all wages, benefits and tax withholding for itself and shall comply with all applicable tax laws. Neither party is an agent of the other nor will either party have any authority to bind the other.

12. Compliance with Laws. The Contractor and Contractor Agents shall comply with all applicable state and federal laws and municipal ordinances in satisfying obligations under this Agreement, including, but not limited to, Connecticut General Statutes Title 1, Chapter 10, concerning the State's Codes of Ethics. In any event, the Contractor shall be liable for the acts or omissions of the Contractor Agents.

13. Notice of Special Compliance Requirements. The Contractor shall comply with all provisions set forth on Exhibit A with respect to Nondiscrimination and Affirmative Action, Certain State Ethics Requirements, and Applicable Executive Orders of the Governor.

14. Confidentiality.

- a. In the event and to the extent that the Contractor or its Contractor Agents have access to information which is confidential or of a proprietary nature to the Exchange, including, but not limited to, Records, enrollment lists and personal data and personally identifiable information, technical, marketing and product information and any other proprietary and trade secret information, whether oral, graphic, written, electronic, or in machine readable form ("Confidential Information"), the Contractor agrees, for itself and its Contractor Agents, to keep all Confidential Information strictly confidential and not to use or disclose to others the Confidential Information without the Exchange's prior written consent. The Contractor and its Contractor Agents shall comply with all applicable laws regarding personally identifiable information, including without limitation, the privacy and security standards and obligations adopted in accordance with 45 C.F.R. § 155.260(b)(3), and those privacy and security standards and obligations are hereby incorporated into this Agreement by reference. If the Contractor or its Contractor Agent is required to disclose Confidential Information by law or order of a court, administrative agency, or other governmental body, then it shall provide the Exchange with

 - ii) The Contractor shall promptly inform the Exchange of any change in its administrative, technical or operational environments that would require an alteration of the standards of this Agreement; and
 - iii) The Contractor shall bind any subcontractor to the same privacy and security standards and obligations to which the Contractor has agreed in this Agreement.
- c. The Contractor acknowledges that the Exchange is subject to the Connecticut Freedom of Information Act ("FOIA"). As a result, information provided to the Exchange by the Contractor or any Contractor Agent, regardless of its form, may not be considered confidential, even if marked as such. In no event shall the Exchange have any liability for the disclosure of documents or information in its possession, which the Exchange believes it is required to disclose pursuant to FOIA or any other law. For any information that Contractor believes to be exempt from disclosure under FOIA, Contractor must identify the specific information, provide enough explanation and rationale to justify each claimed exemption consistent with Connecticut General Statutes § 1-210(b) and provide a redacted version of the document to the Exchange. For the avoidance of doubt, Contractor cannot claim a general exemption from FOIA for the entirety of any document.

16. Miscellaneous.

- a. This Agreement will be governed and construed in accordance with the laws of the State of Connecticut, without regard to its conflicts of law principles. The parties irrevocably consent to the exclusive jurisdiction and venue of any state or federal court of competent jurisdiction in

Hartford County, Connecticut in any action, suit, or other proceeding arising out of or relating to this Agreement and waive any objection to venue based on the grounds of *forum non conveniens* or otherwise.

- b. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Notwithstanding the foregoing, the Contractor may not assign this Agreement or delegate its duties without the Exchange's prior written permission. Any assignment in violation of this provision will be null and void. The Exchange may transfer or assign its rights and obligations under this Agreement without the prior written consent of the Contractor. This Agreement will not be binding on the Exchange, and the Exchange will assume no liability for payment for Services, unless and until a copy of the Agreement, executed on behalf of each party, is delivered by the Exchange to the Contractor.
- c. If any provision of this Agreement, or application to any party or circumstances, is held invalid by any court of competent jurisdiction, the balance of the provisions of this Agreement, or their application to any party or circumstances, will not be affected, provided that neither party would then be deprived of its substantial benefits hereunder.
- d. The Exchange and the Contractor shall not be excused from their respective obligations to perform in accordance with this Agreement, except in the case of force majeure events and as otherwise provided for in this Agreement. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance. "Force majeure events" means events that materially affect the time schedule within which to perform and are outside the reasonable control of the party asserting that such an event has occurred, including, but not limited to, labor troubles unrelated to the Contractor, failure of or inadequate permanent power, unavoidable casualties, fire not caused by the Contractor, extraordinary weather conditions, disasters, riots, acts of God, insurrection or war.
- e. The Contractor shall not refer to the Services provided to the Exchange hereunder for the Contractor's own advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without the Exchange's prior written approval.

- g. The Contractor shall continue to perform its obligations under this Agreement while any dispute concerning this Agreement is being resolved, unless otherwise instructed by the Exchange in writing.
- h. Neither the failure nor the delay of any party to exercise any right under this Agreement on one or more occasions will constitute or be deemed a waiver of such breach or right. Waivers will only be effective if they are in writing and signed by the party against whom the waiver or consent is to be enforced. No waiver given by any party under this Agreement will be construed as a continuing waiver of such provision or of any other or subsequent breach of or failure to comply with any provision of this Agreement.

- i. Nothing in this Agreement will be construed as a modification, compromise or waiver by the Exchange of any rights or defenses or any immunities provided by federal or state law to the Exchange or any of its officers and employees. To the extent that this Section conflicts with any other section, this Section will govern.
- j. The captions in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the scope of content of any of its provisions.
- k. Any provision of this Agreement, the performance of which requires that it be in effect after the expiration and/or termination of this Agreement, will survive such expiration and/or termination, including without limitation, any assignment, license, confidentiality, warranty and indemnification obligations.
- l. This Agreement, including all exhibits and schedules hereto, constitutes the entire agreement between the parties and supersedes all other agreements, promises, representations, and negotiations, regarding the subject matter of this Agreement.
- m. No amendment or modification of this Agreement or any of its provisions will be effective unless it is in writing and signed by both parties.
- n. This Agreement may be executed in any number of counterparts and by electronic, facsimile or e-mailed signature. All such counterparts taken together will, for all purposes, constitute one agreement binding upon all parties to this Agreement.
