1. BACKGROUND

The primary mission of the Connecticut Health Insurance Exchange d/b/a Access Health CT (“Access Health” or the “Exchange”), Connecticut’s official state-based health insurance marketplace, is to increase the number of insured residents in Connecticut, promote positive health outcomes, lower costs, and eliminate health disparities. To accomplish this mission and meet certain requirements of the Patient Protection and Affordable Care Act (“ACA”), Access Health has developed an online shopping and enrollment experience for state residents and small businesses, as well as an extensive marketing and communication infrastructure, to raise awareness of health insurance options and facilitate consumer enrollment into healthcare coverage.

Our Values in Action

At Access Health CT, it is with our customers and our employees in mind that we seek to promote these collective values and to live by these behaviors. Our culture of acceptance welcomes and values everyone. We challenge the status quo to find new ways to grow and improve our community, our company and ourselves. Our people take pride in the service we provide, and in the spirit of the common good that we share.

- ❖ **Authenticity:** Act with sincerity, credibility and self-awareness
- ❖ **Integrity:** Commit to doing the right thing with genuine intention
- ❖ **Excellence:** Aim high and challenge the status quo
- ❖ **Ownership:** Take responsibility and initiative
- ❖ **One Team:** Collaborate to succeed
- ❖ **Passion:** Dedication to creating opportunities for great health and well-being

2. BROKER ACADEMY OVERVIEW

Through the Broker Academy Program, Access Health CT has an opportunity to drive change in the diversification of the broker community in the State of Connecticut. The program will create a pathway for members of underserved communities to become licensed insurance brokers and ultimately become trusted advisors in their own communities to help reduce the disparity. Data from our current Health Disparities report indicates that Blacks in Connecticut are three times more likely to be uninsured than Whites. Hispanics are almost four times more likely to be uninsured compared to Whites. These groups have also lost health insurance coverage at a greater rate during the pandemic.

By recruiting from and building the skillset of members of underserved communities to become licensed brokers, AHCT can build trust and rapport by meeting members of the community where they are.

Underserved communities will be the beneficiaries of the Broker Academy that will:

- Create a more diverse insurance broker community.
- Provide access to brokers in communities with few, if any, brokers at all.
- Address income disparities by introducing insurance brokerage as an income model that produces residual income.

Licensed brokers will be beneficial in guiding members in underserved communities through the healthcare system. Once a trusted broker enrolls the members, the journey to a healthier lifestyle continues with the licensed broker helping the members understand more about themselves and their health plan and providing guidance along the way to keep them insured. Consumers will benefit from both intrinsic and extrinsic rewards when they are invested in the longevity of their health and well-being.

HOW AND WHEN:

AHCT will create a Broker Academy in partnership with a pre-licensing training company that will **certify up to 100 new health insurance brokers from selected communities in Connecticut.**

The first cohorts will be in Bridgeport, New Haven, and Hartford (100 students total).

- First class day is projected to be June 1, 2022.
- Students will complete the Health Insurance Broker Pre-licensing class by June 3, 2022.
- They will complete their state licensing exam by July 15, 2022.
- After passing the exam, they will enter into a three-month mentorship program from August 1, 2022, through October 31, 2022. They will be matched with pre-screened, experienced brokers, affording the newly licensed broker the opportunity to learn the business and develop their skills and professional approach.

POST MENTORSHIP PROGRAM: After the three-month mentorship program, students will be prepared and ready to enroll consumers during Open Enrollment 10 starting November 1, 2022.

5. Discuss any pending complaints or investigations, or any made or concluded within the past five (5) years, to or by any regulatory body or court regarding the conduct of you or your firm or its predecessors, or any of its present or former members, employees, attorneys and/or associates.

The Exchange may reject a Proposal and void any award resulting from this RFP to a firm that makes any material misrepresentation in its Proposal or other submission in connection with this RFP.

VIII. Disqualification

Any attempt by a Respondent to influence a member of the evaluation committee during the Proposal review and evaluation process will result in the elimination of that Respondent's Proposal from consideration.

IX. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by you or by the brokerage/agency with any state agency, the Exchange, or an employee of a state agency or the Exchange will be disregarded in any Proposal evaluation or associated award.

X. Offer of Gratuities

Such action on the part of the Exchange shall not constitute a breach of contract by the Exchange.

The Proposal must also include evidence that the person submitting the Proposal has the requisite power and authority on behalf of the firm to submit and deliver the Proposal and subsequently to enter into, execute and deliver, and perform the Contract.

5. ADDITIONAL TERMS AND CONDITIONS

I. Ownership of Proposals

All Proposals will become the sole property of the Exchange and will not be returned.

II. Amendment or Cancellation of this RFP

Issuance of this RFP does not guarantee that the Exchange will award a Contract to any Respondent. The Exchange reserves the right to withdraw, re-bid, extend or otherwise modify the RFP or the related schedule and process, in any manner, solely at its discretion.

The Exchange also reserves the right to:

- Consider any source of information in evaluating Proposals.
- Omit any planned evaluation step if, in the Exchange's view, the step is not needed.
- At its sole discretion, reject any or all Proposals at any time; and
- Open contract discussions with other Respondent(s) if the Exchange and the first selected Respondent(s) are unable to agree on contract terms.

III. Errors

The Exchange reserves the right to correct clerical or administrative errors that may be made during the evaluation of Proposals or during the negotiation of the Contract and to change the Contract award accordingly. In addition, the Exchange reserves the right to re-evaluate Proposals and the award of the Contract in light of information either not previously known or otherwise not taken into account prior to the Contract award. This may include, in extreme circumstances, revoking the awarding of the Contract already made to a firm and subsequently awarding the Contract to another firm.

Such action on the part of the Exchange will not constitute a breach of contract on the part of the Exchange since the Contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the Exchange and such firm.

The Exchange may waive minor irregularities found in Proposals or allow the Respondent to correct them, depending on which is in the best interest of the Exchange. "Minor irregularities" means typographical errors, informalities that are matters of form rather than substance and evident from the Proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other Respondents, as determined in the sole discretion of the Exchange.

IV. Freedom of Information

The Exchange is a quasi-public agency and its records, including responses to this RFP, are public records. See Conn. Gen. Stat. §§ 1-200, *et seq.*, and especially §§ 1-210(b)(4) and 1-210(b)(5)(B). Due regard will be given to the protection of proprietary or confidential information contained in all Proposals received. All materials associated with this RFP, however, are subject to the terms of the Connecticut Freedom of Information Act (“FOIA”) and all applicable rules, regulations, and administrative decisions. If a Respondent is interested in preserving the confidentiality of any part of its Proposal, it will not be sufficient merely to state generally in the Proposal that the Proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, the firm must specifically identify those particular sentences, paragraphs, pages, or sections that a Respondent believes to be exempt from disclosure under FOIA. Convincing explanation and rationale sufficient to justify each exemption consistent with § 1-210(b) of FOIA must accompany the Proposal. Any submitted Proposal and the fully executed Contract will be considered public information and subject to FOIA. The Exchange has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Respondent has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the Exchange have any liability for the disclosure of any documents or information in its possession that the Exchange believes are required to be disclosed pursuant to FOIA or any other law.

V. Statutory and Regulatory Compliance

By submitting a Proposal in response to this RFP, the Respondent implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

- A. Gifts, C.G.S. § 4-252.** Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz’s Executive Order No. 21-2, the Respondent, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:
1. That no gifts were made by (A) the Respondent, (B) any principals and key personnel of the Respondent, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the Respondent or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi-public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;
 2. That no such principals and key personnel of the Respondent, or agent of the Respondent or of such principals and key personnel, knows of any action by the Respondent to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the Respondent to provide a gift to any such public official or State employee; and
 3. That the Respondent is submitting bids or proposals without fraud or collusion with any person.
- B. Campaign Contribution Restriction, C.G.S. § 9-612.** For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or

more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the resulting contract must represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations." Such notice is available at:

https://seec.ct.gov/Portal/data/forms/ContrForms/seec_form_11_notice_only.pdf

- C. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on the Exchange (as well as contractors and subcontractors doing business with the State) to ensure that the Exchange does not enter into contracts with organizations or businesses that discriminate against protected class persons.
- D. Consulting Agreements Representation, C.G.S. § 4a-81.** Pursuant to C.G.S. §§ 4a-81 the successful Respondent shall certify that it has not entered into any consulting agreements in connection with this Contract, except for the agreements listed in the Contract form. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes. Such representation shall be sworn as true to the best knowledge and belief of the person signing the resulting contract and shall be subject to the penalties of false statement.
- E. Nondiscrimination Certification, C.G.S. § 4a-60 and 4a-60a.** If a Respondent is awarded an opportunity to negotiate a contract, the Respondent must provide the Exchange with *written representation* in the resulting contract that certifies the Respondent complies with the State's nondiscrimination agreements and warranties. This nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by either (A) initialing the nondiscrimination affirmation provision in the body of the resulting contract, or (B) providing an affirmative response in the required online bid or response to a proposal question, if applicable, which asks if the contractor understands its obligations. If a Respondent refuses to agree to this representation, such Respondent shall be rejected, and the Exchange shall award the contract to the next highest ranked Respondent.
- F. Access to Data for State Auditors.** The Respondent shall provide to the Exchange access to any data, as defined in C.G.S. § 4e-1, concerning the resulting contract that are in the possession or control of the Contractor upon demand and shall provide the data to the Exchange in a format prescribed by the Exchange and the State Auditors of Public Accounts at no additional cost.

Any Respondent that does not agree to the representations required under this section shall be rejected and the Exchange shall award the contract to the next highest ranked Respondent.

VI. Execution of Contract

This RFP is the instrument through which the Exchange solicits Proposals. This RFP is not a contract. Upon the Exchange's selection of a Respondent, the Respondent must enter into a contract with the Exchange substantially in the form of the Contract set out in **Appendix A**. The selected Respondent's Proposal and this RFP may serve as the basis for additional Contract terms. If the Exchange and selected Respondents fail to reach agreement on Contract terms within a time determined solely by the Exchange, then the Exchange may commence and conclude contract negotiations with other Respondents. The Exchange may decide at any time to start this RFP process again.

VII. Subletting or Assigning of Contract

The Contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the Respondent therein or thereto may not be sublet, sold, transferred, assigned, or otherwise disposed of to any person or entity without the prior written consent of the Exchange. No person or entity, other than the Respondent to which the Contract was awarded, is permitted to perform work without the prior written approval of the Exchange.

VIII. Compliance with Federal, State and Other Requirements

In the Contract, the Respondent will represent and warrant that, at all pertinent and relevant times to the Contract, it has been, is and will continue to be in full compliance with all codes, statutes, acts, ordinances, judgments, decrees, injunctions, and regulations of federal, state, municipal or other governmental departments, commissions, boards, bureaus, agencies, or instrumentalities.

IX. Executive Orders

The Contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, the provisions of Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973 and the provisions of Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999.

- h. Neither the failure nor the delay of any party to exercise any right under this Agreement on one or more occasions will constitute or be deemed a waiver of such breach or right. Waivers will only be effective if they are in writing and signed by the party against whom the waiver or consent is to be enforced. No waiver given by any party under this Agreement will be construed as a continuing waiver of such provision or of any other or subsequent breach of or failure to comply with any provision of this Agreement.
- i. Nothing in this Agreement will be construed as a modification, compromise or waiver by the Exchange of any rights or defenses or any immunities provided by federal or state law to the Exchange or any of its officers and employees. To the extent that this Section conflicts with any other section, this Section will govern.

- j. The captions in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the scope of content of any of its provisions.
