# Meeting the needs of the market

With the continued evolution of the small group market and the many demands facing business owners today in the state, our goals have expanded to identify ways to broaden our service to the small business community and provide value in different areas.

Access Health CT Small Business can serve as a trusted partner to businesses in the state and can act as a facilitator to provide these businesses with deeper access to the critical resources and insights they need that can help build and sustain their business.

# CT Small Business Summit Overview

- **What:** Small Businesses helping small businesses. A half day event comprised of speakers, panels, partners and vendors to provide small businesses with direct access to information and insights on the growth and sustainability of their business in today's landscape.
- **When and Where:** June 13<sup>th</sup>, 8am-2pm at Sheraton Hartford South Hotel in Rocky Hill, CT

**What makes the CT Small Business Summit so special?**

The CT Small Business Summit was created to help support the CT small business community.

To provide a place for Connecticut's small business leaders to confidently discuss current trends and challenges. An opportunity to collaborate with other small businesses, get help, and make connections.

Where small business leaders come together once a year to strengthen Connecticut's small business community as a whole.
