Connecticut Small Business Summit

WORKING TOGETHER TO SUPPORT THE SMALL BUSINESS COMMUNITY

The CT Small Business Summit was created as a way for Access Health CT Small Business to help support Connecticut's small business community. It was designed to provide a place for Connecticut's small business leaders to confidently discuss current trends and challenges, collaborate with other small businesses, get help, and make connections.

For this year's summit, AHCT Small Business partnered with the Chamber of Commerce of Eastern Connecticut given their connection to and relationships within the small business community in the New London area.

The CT Small Business Summit is a free event for all attendees. However, this year we introduced the option to make a donation to Connecticut Foodshare, in lieu of purchasing a ticket.
